Just a note of thanks for teaching a bunch of novices a little of your business and the law.

I appreciate your speeding through the 25 minute inspection in 90 minutes for our benefit.

Dear Joe,

Just a note to say than you for allowing the new associates to accompany you today on your inspection in West Reading. It was greatly appreciated by all and I can't wait to hear the comments in class tomorrow. It was a most informative inspection and I am so glad it was not a "perfect" home.

CLIENTS;

I just wanted to enclose a note about my Inspector, Joe Kelly. He made me feel comfortable and relaxed during my inspection. This is my first home and a very nerve racking experience. He answered all my questions and didn't make me feel stupid for asking them. I feel he did an excellent job and would recommend your company to anyone. Keep up the good work.
Thanks, Michele

Dear Mr. Kelly,

I would like to thank you for the professional and thorough Home Inspection service you provided for the property I am purchasing. Both my Brother and myself were very impressed with the level of service and concern provided by you. We would not hesitate to recommend your service to others. I feel more at ease with my decision to buy this home because of the excellent quality of the report given to me. Not only did it give me the details of the condition of the home, but it educated me on things to look for in the future, something I knew little about. I feel the cost was very reasonable and well worth the money.

Sincerely Sharon

Thank you for the quick results. Viewing them on the internet is very handy.

We couldn't have been more pleased with your professionalism, knowledge & courtesy while doing the inspection. Your comprehensive report was very detailed and accessible via the internet within hours. We would highly recommend your services to anyone considering the purchase of a home. Hey Joe

Thank you for the thorough walk through. I learned a whole lot more than I ever would have going into it, the way I was going into it. You did everything that I could have asked, and even pointed out small details that really mean a lot believe it or not. Every little bit of info that you gave me was very helpful, thank you.
Drew

Joe, thanks again for the inspection and follow-ups. We had our revised offer accepted for the property yesterday, so it looks like we now have a project on our hands! At least the water and septic might be good for a while...

Best regards,
Shaun and Nanci

Joe,

Just writing back so you can use me as a reference in the future if needed. I was extremely pleased with your services. Your overall knowledge and attention to detail were a welcome surprise to say the least. I was warned of your thoroughness before hand but can only appreciate the information you supplied. Based on your feedback I was able to not only understand but, have great insight on possible remediation prior to statement.
Feel free as using me as a future reference as you will only get high ranking from me.

Bob

Our Realtor said don't be alarmed of his findings 'He's very thorough' and will list alot more than some of the other inspectors.
Since you were first on her list of names and the fact of your thoroughness I set on using you for the inspection.

Dear Joe, Thank you for your service in such short notice. Thanks also for the e-mails and link to your website.
Jason

Hi Joe,

Thanks again for the great experience today. The inspection was very educational and really made me aware of every aspect of our new home. Your answers were very clear, concise, and easily understandable. I value a professional who can communicate their knowledge to someone who doesn't deal with these things everyday. I look forward to referring my friends and family anytime they are in need of a quality home inspector.

Regards,
Josh & Heather

Joe,

We just finished looking at the reports, and they are great! Both the inspection and the report are wonderful tools which help homebuyers feel secure in their final decision. The work you did was thorough, and you explained all the little details we need to consider before finalizing our purchase. Thank you for the outstanding inspection!

Sincerely,
Eric and Jacqueline

Dear Mr. Kelly,

We received our reports – thank you! We would also like to thank you for your professionalism, patience, and consideration during our home inspection. This was our first inspection, and you thoroughly explained everything and answered all our questions. We are confident that we will be making an informed decision with the purchase of our new home, and we will be sure to recommend you and your company in future.

Thank you again!

Sincerely,
Adam and Caralee

Hi Joe,

I filled out the survey and gave you 100%+. Great job today....thanks....Tony
I am not very computer savy but I actually figured out how to print out your report.
thanks for being so quick.....

Joe,

Thanks for the thorough inspection and for the time spent explaining the operation and proper maintenance of the systems.

Sue

Thanks you for your thorough report. My next step is to contact a civil engineer and roofing contractor for estimates on needed repairs and then hopefully get the seller to agree to some price concessions.

If the deal fails, I am sure I will be contacting you again for my next property inspection as Karin and I are determined to find a farm property.

Regards,
George

Joe,

Thank you for doing such a thorough job of inspecting the Highland Ave home. I really appreciate your attention to detail. I will highly recommend you and your services.

Kathy

Thanks Joe!

I want to let you know once again what a pleasure it was to work with

you. You did an outstanding job on my home inspection and I feel you caught a lot of important details that other inspectors might have missed. My family and friends have helped me think about the items that came up during the inspection and echoed as well how impressed they were with the thoroughness of your work. It is really nice to work with someone with a passion for what they do!

I have decided not to proceed with the Blue Mountain house; however, if I find another house in the area you are my home inspector of choice. What geographic radius do you serve?
Megan

Joe,

I just wanted to let you know that I received all three inspection reports this evening. Thanks for doing such a thorough job today and taking the time to explain everything in so much detail. I was very pleased with your service. I tried to access the survey, but it would not open. I would be happy to fill it out if I can get it to open.

Thanks again,
Jeff

I want to thank you so much for the job you did for us. Tom said he learned a lot from you about well & septic systems. Let's hope he remembers it all! I took the survey for you, but there was no place to enter additional comments so thought I'd send off this note to you.

Thank you again!!!

Carol
